

Protect yourself, your loved ones and your environment.

Practice proper disposal of your unwanted medications.

How: Bring your unwanted medications to New Hanover Regional Medical Center's

FREE MEDICATION DISPOSAL EVENT

With Drive-Thru Service!

When: **Saturday, March 21, 2015**

9:00 a.m. to 2:00 p.m.

Where: Medical Mall beside NHRMC

2243 South 17th Street

Wilmington, NC 28401

All medications should be in their original containers with the label still attached.

No syringes or needles will be accepted.

Medications can be prescription, over-the-counter, vitamins or herbal.

Law enforcement will be on hand to accept controlled substances.

- Having unnecessary medications in the home can be a hazard to yourself, your loved ones and the environment.
- Prescription drug misuse causes more deaths in SENC than illegal drugs.
- Keep all medications in a locked cabinet, locked drawer or childproof lock box.
